

**SMITHFIELD SEWER AUTHORITY**  
**NOTICE OF PUBLIC HEARING**  
**TOWN HALL, WEDNESDAY, MARCH 24, 2010, 7:00 P.M.**  
**DRAFT FACILITIES PLAN AMENDMENT**  
**SMITHFIELD WASTEWATER TREATMENT FACILITY**

Notice is hereby given of the intent to hold a public hearing on a draft wastewater facilities plan amendment. The Smithfield Sewer Authority has undertaken facilities planning in order to meet Rhode Island Department of Environmental Management (RIDEM) mandated treatment standards for zinc and phosphorus. A draft facilities plan amendment was submitted to RIDEM on September 30, 2009. The draft amendment includes various options that were explored in order to meet the treatment requirements. This public hearing is intended to inform the public of the options that were explored as well as the recommended alternatives and discuss comments provided by RIDEM as part of their review. In addition, the public hearing will reaffirm various areas of proposed sanitary sewer service.

The public hearing will be held before the next meeting of the Smithfield Sewer Authority, **Wednesday, March 24, 2010** at 7:00 pm in the Smithfield Town Council Chambers, 64 Farnum Pike, Smithfield, Rhode Island. A record of the workshop will be made.

All interested persons are invited to be present at the time and place above stated. To view a summary of the proposed facilities plan amendment please visit the office of the Town Engineer, during normal business hours.

The hearing room is accessible to the handicapped. Persons needing visual or hearing services should contact the Town Manager's Office forty-eight (48) hours prior to the scheduled meeting by calling 233-1010, or VOICE 1-800-745-5555 TTY.
