Code of Ordinances Section 312-22. Deposits. [Amended 10-16-2001]

A. When an application for a permit as provided in § 312-20A is made and approved, the applicant shall make a nonrefundable general deposit in the sum of \$300 and a special deposit of \$5 per square foot for any asphalt or concrete paving, curbing and gutters and sidewalks that are to be replaced. Special deposits are to be refunded upon completion of the work subject to the approval by the Director of Public Works or his authorized agent.

(1) The contractor who is to open such road must sign the permit and is solely responsible for all fees associated with such permit. The contractor is also responsible to maintain said road opening until such time that the work is approved by the Director of Public Works or his authorized agent.
