

The Smithfield Lions Club

Lions are an international network of 1.3 million men and women in 205 countries and geographic areas who work together to answer the needs that challenge communities around the world.

Known for working to prevent permanent blindness, Smithfield Lions participate in a vast variety of projects important to their community. These projects range from cleaning up local parks, working on community related projects, to providing financial support to local families, local athletic leagues, and student scholarships.

Smithfield Lions Club members are men and women who strive to make a difference in their local community as well as in communities worldwide. Their volunteer efforts go beyond the support of vision care, to addressing unmet civic, health, humanitarian, and education needs in Smithfield.

Why should I become a Smithfield Lion?

As a Lions club member, you can:

- Make a difference everyday in your community.
- Provide support locally, regionally, nationally, or reach out internationally.
- Grow personally and professionally by participating in our programs, community service projects and events.
- Have an impact on local, regional, national, and international humanitarian issues.
- Develop relationships with both local, national, and international community and business leaders.
- Have access to membership discounts and services.

Interested in becoming a Smithfield Lions Club member?
