

January 2010

Wii Fun

Tuesdays are Wii days, and that means those between the ages of 11 and 18 are invited to drop into the library from 2:00-6:00 pm to play Wii. We have two systems set up for participants to play a selection of games that includes Super Smash Bros. Brawl, Super Mario Kart, American Idol, and a number of other titles.

Anime Cinema

Are you into anime? Every Friday afternoon, you can come to the library and enjoy a free showing of some Japanese-themed cartoons at 2:30 pm. Following each showing, feel free to stay and discuss what you have watched. We will be starting our new season of films with the new year. Check in with the library to find out what great anime series we will be showing!

Lego Mentors Needed!

The library is looking to start a children's Lego Club in February. If you have a talent or an interest in Lego construction and would like to help with the program, the Library would love to have you join the presentation team. Stop into the library or give us a call at 949-3630 x 3.

Win, Lose, or Draw!: Pictionary

Whether you can draw or not, this fun party game is guaranteed to get everyone involved. Work in teams with your friends or make new ones as we try and guess what that object being drawn really is. The festivities will kick off at 3:00 pm on Monday, January 11, and those ages 11-18 are welcome to participate.

Snow is Falling

Are you sick of shoveling, but enjoy the look of snow? If so, come to the library on Wednesday, January 13 at 3:00 pm for a craft program to make a nifty season decoration.

Tween Scene-it?

If you are on top of all the newest music, movies, and television, this might be the program for you. Those ages 11 – 13 are welcome to stop into the library for this fun, interactive program that uses puzzles, clips for movies and television, and trivia to create a competitive game. The program will start at 3:00 pm on Thursday, January 21 and lasts for two hours.

Outburst

Remember Family Feud? Come to the library and build a team of friends to compete to see who can name the top answers for various questions. Teens and tweens of all ages are welcome to participate in this fun and LOUD program, which will take place on Monday, January 25 at 3:00 pm. Didn't you always want be loud at the library?!?

Crystal Art

Everyone knows that snowflakes are made up of crystals. What better way could there be to celebrate winter than by making art out of crystals. We will add a little color to the idea in a craft program that will start at 3:00 pm on Wednesday, January 27.
