Wii Fun

Tuesdays are Wii days, and that means those between the ages of 11 and 18 are invited to drop into the library from 2:00-6:00 pm to play Wii. We have two systems set up for participants to play a selection of games that includes Super Smash Bros. Brawl, Super Mario Kart, American Idol, and a number of other titles.

Win, Lose, or Draw!: Pictionary

Whether you can draw or not, this fun party game is guaranteed to get everyone involved. Work in teams with your friends or make new ones as we try and guess what that object being drawn really is. The festivities will kick off at 3:00 pm on Monday, February 1, and those ages 11-18 are welcome to participate.

Anime Cinema

Are you into anime? Every Friday afternoon, you can come to the library and enjoy a free showing of some Japanese-themed cartoons at 2:30 pm. Following each showing, feel free to stay and discuss what you have watched. Check in with the library to find out what great anime series we will be showing!

Lego Mentors Needed!

The library is looking to start a children's Lego Club in February. If you have a talent or an interest in Lego construction and would like to help with the program, the Library would love to have you join the presentation team. Stop into the library or give us a call at 949-3630 x 3.

Make 'n' Bake Valentine Treats

Valentine's Day is no fun without sweets. On Wednesday, February 10, the library is going to give you a chance to ice and decorate some cookies with a Valentine theme. You can give them as a gift or eat them as a snack, but you can get creative starting at 3:00 pm.

Tween Scene-it?

If you are on top of all the newest music, movies, and television, this might be the program for you. Those ages 11 – 13 are welcome to stop into the library for this fun, interactive program that uses puzzles, clips for movies and television, and trivia to create a competitive game. The program will start at 3:00 pm on Thursday, February 11 and lasts for two hours.

Go for the Gold!

With the Olympics taking place in Canada, it only seems right to help out our neighbors to the north. Come to a fun craft program on Wednesday, February 24 at 3:00 pm as we make gold, silver, and bronze medals to give as rewards for a job well done.
