Smithfield Town Recreation Summer Camp 2009

Friday Lunch Option: Every Friday we will give campers the option to order cheese pizza for lunch. If you choose to participate, **\$5.00 per child must be brought to sign-in on Friday morning**. The Camp Coordinator or Site Director will collect money during that time only and will check off your child's name for participation in the pizza lunch for that day.

Please note: Drinks **will not be** included so please continue to pack accordingly.

*Two dates are noted for events where the camp will be split into two sections. Generally, the younger campers will attend the event on the first date and older campers on the second date. **Each child will attend the event on one date only**. The dates your child will be attending will be confirmed once the final registration for camp is complete and groups have been established.
